

**NO STAGE WORKERS' STRIKE IN NEW YORK**

Compromise Reached After Conference With Managers.

There will be no strike of stage workers, according to an official announcement made today by Harry L. Abbott, President of Local No. 1 of the International Alliance of Stage Employees. Although he admits there was some danger of a general strike up to the time of a conference between his union and members of the International Theatrical Managers last night, he said today that a satisfactory compromise had been reached and all would go along smoothly in New York theatres.

As far as members of his union were concerned, the stage workers were receiving \$125 a performance, according to Mr. Abbott. They demanded \$14, with a hint there would be a strike unless it was forthcoming. Just what figure was agreed upon was not given out by the union head. He says it was not quite \$1, but was satisfactory to the union.

**MAN MYSTERIOUSLY SHOT IN APARTMENT HALLWAY.**

Bullet Pierces Tenant's Arm and He Walks to Hospital.

As he stepped into the dark hallway from his apartment at No. 465 Central Park West last night, Royce Rizzo, thirty-five years old, heard the report of a revolver and felt a sting on his left arm. The arm had been pierced by a bullet, but Rizzo was unable to learn by whom or from what direction it had been fired. Rizzo walked to the construction hospital, where he was attended by Dr. Hay, and later went to the West 100th Street Station and reported the shooting. Detective Morrell is making an investigation.

**TAMMANY HOLDS FORUMS TO SUGGEST PLATFORM.**

Move Breaks All Precedents of the Organization.

For the first time in its career of a century Tammany Hall will give the voters a voice in making suggestions for the campaign platform. An open forum will be conducted to-night at the High School of Commerce in West 5th Street at 7:30 o'clock. Edward J. McInerney will be Chairman. Suggestions for platform planks will be received and debated. At Morris High School, in the Bronx, a similar meeting will be held to-morrow night, at which M. Malvern Feing will preside. Other meetings are to be held in Kings, Queens and Richmond.
